

RADIKALE REDENAARS 2021

Planning for next year is in full force and although there is still uncertainty about the school year for 2021, as well as strict Covid 19 regulations, **we want to make the best of it.**

We do not want to deprive the learners of their chance of participation and invite them all to participate online again. This includes participation for individuals, teams and reading.

We wish for some GOOD NEWS... that the regional finals and national final can be presented as in the past. However, this can only be confirmed closer to those dates (as published on the web).

If this cannot take place as we plan, participants who qualified for these rounds will receive their certificates per email.

ENTRIES

- The entry form as well as relevant information to assist with its completion is available on our web
- Entries can be done through the school or privately and emailed to radikaleredenaar@gmail.com.
- Since the ATKV's 2020 themes per grade can be used for the next grade in 2021 a learner may use the same speech again, in other words... The same speech of Gr 3(2020) can be used again in Gr 4(2021). This is absolutely your choice.

PARTICIPATION/VIDEOS

- Please ensure a clear background, sound and lightning is adequate.
- **Speaker to announce his/her name, surname, grade, item, and school before they start their speech, or this information to be stated clearly in the email**
- The speaker (in school uniform) only needs to be taken half-body, but full-length is also acceptable. Please make sure the notes are visible and that the speaker's full face also appears on the screen.
- The video must be sent as one continuous video and not broken up in parts. Only one video per item is allowed.
- The video to be sent via email to radikaleredenaar@gmail.com and not whatsapp
- In 2020 we experienced that You Tube, WeTransfer and Google Drive worked very well. Dropbox was not successful
- After adjudication of a video, it gets deleted and the certificate is sent via email
- If you have not received it 10 days after the "closing date for videos", please follow up via email.

Please see 2021 dates on the website (www.radikaleredenaar.com).
