

2020 RESULTS

Congratulations to all the learners who took the courage to still participate during this difficult time, and thank you to everyone involved in the recording and sending of the videos.

As all the provincial finals have been cancelled, we place the names of the learners who should have participated during this round and they will soon receive their certificates as proof that they had qualified for this round.

THEIR NAMES ARE THE ONES NOT COLOUR CODED

The names of learners marked in yellow go through to the National Final which we trust can still be presented as in the past. Information regarding this round will be on our web by 8 September 2020.

The team results will be published soon.

We apologize that no enquiries can be attended to at this stage.
